# Bestsellers Club

Getting your favorite new bestseller is easy! Readers may request that librarians **automatically** reserve new hardback titles before they hit library shelves. This **free** service is open to patrons with CLEVNET cards in good standing.

Bestsellers Club has been expanded to include nonfiction, large print, and audiobooks! Select your authors on the back page of this form!

## The Benefits

- Receive the most recent material by your favorite writer, without ever lifting a finger.
- You no longer have to take time searching out new titles, the library is watching and waiting to do it for you.
- A thrilling read surprises you at the library and all you have to do is stop by to pick it up.

## How it Works

- Choose an unlimited number of authors from the list and provide your personal contact information.
- Each time one of your selected authors publishes a new title, we'll place you on the reserve list for the release.
- We'll notify you as soon as your copy is ready to be picked up.
